**Before we prepare your tax return you should review this tax preparation checklist to help you get organized.**

Along with this, your tax preparation checklist should also get you in the right frame of mind. Once you are organized and ready to move forward, you will find that everything begins to fall into place.

What is the overall goal of a tax preparation checklist? Simply put, it will help you get everything together before you begin to file your tax return or show up for your appointment with us.

As you move down the checklist, you will find items you may have missed as well as things that were accounted for in the past.
